Walteria P-TA Carnival Will Have 23 Booths

Members of the Walteria P.T.A. are busy this week making final plans for the big Halloween carnival to be held at the school grounds tomorrow, Friday October 30. Twenty-three booths are to be set up so there will be

lots to amuse adults as well as children. An added attraction this year is door prizes to be donated by local merchants. Child care will be available with adult supervision. A movie will run continuously for the children. The carnival will start at 5 p.m. and continue into the evening. Walteria is unable to have a costume parade this year because of half-day sessions and the number of students.
